Hello Camper and Family!

My name is Kaitlyn Jenkins, I am the Balmy Beach Canoe Camp Director for this summer 2018. I and a staff team of eight individuals have an amazing line-up of programs for your camper to participate in! Our goal is to keep your camper active all day long while fostering new friendships and various skills like leadership and cooperation. We look forward to having your camper at Balmy Beach Sports Camp this coming week! A few important things to know prior to your camper's arrival.

If your son or daughter has an epi-pen or inhaler it is required that she/he carries it on them at all times. In their pocket or a fanny pack is encouraged. The only exception will be during our all camp swim on Mondays and Wednesdays at which time all epi-pens and inhalers will be with an assigned counselor who is sitting on the pool deck. If any other medical concerns that were not outlined in registration please send an email to bbccsportscamp@gmail.com.

Upon your campers arrival each day and leave each afternoon it will be required for an approved guardian to sign said camper in and out. Please send via email if you did not fill out this section during registration. The Guardians must be 14 or older and bring a piece of ID at the time of pick-up. Please note that if someone that is not on the approved list comes to pick up your camper they will not be allowed to sign him/her out. In this situation please call or email ahead of time your approval for said person to pick up your son/daughter.

A reminder that this is a peanut free camp as we have campers and staff with serve allergies. Please pack a full nut free lunch for your camper to keep them fueled for the day! At camp we have lunch and a body break in the afternoon for campers to fuel up!

Alright! Now you and your camper are set to come to BBC Sports Camp on Monday! Please be sure to pack a lunch, water bottle and sunscreen! Take a look over the suggested packing form for further items we require campers to bring with them for the day! If you require bike storage for the week due to distance of your house to the camp again please send an email to bbccsportscamp@gmail.com.

From all the BBCC Sports Camp Staff we look forward to meeting you and your camper! Be sure to follow us on instagram @bbccsportscamp for daily updates on the fun we are having here at camp! If you do not wish for your son/daughter's photo to be posted on the social media site please notify the camp staff via email.

Sincerely,

Kaitlyn Jenkins
BBCC Camp Director
Summer 2018
